

Thank you!!!

This great event would not have been possible without the support of many people united in the support of women in order to build a sustainable and peaceful future.

Therefore our gratitude goes to (in random order):

- **Gunter Beger, Thuy Thu Le, Carmen Schuber and Karim ould Chih** – all UNIDO for providing the room
- **Eleonora Bonacossa** for the excellent moderation of the event (pro bono)
- **Doris Palz, Christina Marktl and Lilly Gundacker** for the great organisational support
- All **panelists** already presented in former slides for their valuable inputs
- All **G100 and Denim Club members for** attending the conference (at own cost)
- All **G100 members for** supporting the preparation and organisation by spreading the news about the event in their networks
- And all additional **participants** joining us from **academia and business** for this highly important topic!
